2025 The 11th International Conference on Communication and Information Processing

ICCIP®

November 12-15, 2025 | Lingshui, Hainan, China

2025 The 11th International Conference on Communication and Information Processing (ICCIP 2025) will significantly contribute to address the unprecedented research advances in the areas of communication & information processing. It will be held in Lingshui, Hainan, China during November 12-15, 2025. It's sponsored by Beijing University of Posts and Telecommunications, China; and hosted by BUPT_QMSH.

TRACK 13 — Intelligent Biomedical Information Processing

In an era of burgeoning healthcare, the intelligent processing of biomedical data is paramount for advancing diagnostics, personalizing treatments, and optimizing patient care. Intelligent biomedical information processing focuses on the integration of artificial intelligence, machine learning, and data analytics to enhance healthcare outcomes and streamline clinical workflows. This special session aims to bring together leading researchers, practitioners, and innovators from around the world to explore the latest advancements in the biomedical informatics. We cordially invite researchers, clinicians, data scientists, and industry pioneers to submit their high-quality, original research papers. We welcome contributions on topics including, but not limited to, machine learning for diagnostics, processing of electronic health records, predictive analytics for personalized medicine, and the ethical frameworks governing AI in healthcare.

Special Session Organizer

Pro. Fangrong Zong

Beijing University of Posts and Telecommunications

Pro. Yong Liu

Beijing University of Posts and Telecommunications

Topics

- AI in biomedical data processing
- Medical image analysis
- Biomedical signal acquisition & image reconstruction
- Computational modeling for disease prognosis and prevention
- Ethical AI and data privacy in healthcare
- Intelligent decision-support systems
- Telemedicine

DEADLINE

Submission of manuscript	**September. 15, 2025**
Notification of Paper Status	October 10, 2025
Registration Deadline	October 25, 2025

SUBMISSIONS

Submit method: http://iccip.org/submission.html

Submit full paper/abstract via online system:

https://www.zmeeting.org/submission/iccip2025

PUBLICATION

ICCIP 2025 is to publish latest & high-quality research works on communication and information processing in theoretical and practical aspects.

Submitted paper will be peer reviewed by conference committees. The accepted paper will be included into ICCIP 2025 Conference Proceedings, which will be archived in the ACM Digital Library, and indexed by Ei Compendex and Scopus
